

## **Display Artwork for the Superintendent's Office**

The Superintendent's Office will accept artwork for display. Art teachers that are interested need to contact the office of the Director of Community Services at 850-1832 to register with that office. Your name and school will be placed on a waiting list for upcoming displays.

Artwork that will be accepted for display is 3-D for display cases and 2-D artwork that is matted. All artwork needs to be labeled with student name, teacher name and school. The art teacher needs to write a short paragraph about how the creation of the artwork relates to the curriculum.

(This process of contacting the office of the Director of Community Services for this purpose might be adjusted from time to time so please be flexible when contacting them.)
